

PUBLIC NOTICE

End of Campaign Period for 30 June Parliamentary and Local Government By-elections

The Malawi Electoral Commission reminds all candidates, political parties, media houses and the public that campaign for the 30 June Parliamentary and Local Government By-elections ends on Sunday, 28th June 2026 at 6.00AM.

All stakeholders are reminded that it is a violation of the law to campaign outside this period and all those found guilty will face the due process of law. After this deadline no one will be allowed to go around soliciting, canvassing or posturing for votes, either directly or indirectly.

Candidates and their supporters or agents will not be allowed to campaign or drive around hooting or playing campaign songs with loudspeakers or disseminating any campaign messages.

Leaders of various faith groups should be on guard to ensure that their worship services are not used for campaign purposes. The clergy is also advised to avoid projecting or canvassing for candidates during services of worship.

Radio and television stations should also not broadcast or play any campaign adverts, messages and songs after the end of the official campaign period.

The Commission wishes to thank all the contesting candidates, political parties and their followers for maintaining peace and order during this campaign period.
